# ULTRA GUARD

## PREMIUM WOOD FLOOR CARE PROGRAM

### Recoat Your Gym in 1 Day:

**WAXIE Ultra Sport** Premium Wood Coating is a single-component water-based coating. There is only a one hour dry time between coats under normal conditions. **WAXIE Ultra Sport** cures in just 24 hours, allowing the gym to be open for traffic the next day. The product's quick-prep, quick-dry and quick cure allow for wood floors to be recoated at anytime throughout the year.

Ultra Guard will simplify your wood floor care maintenance program while simultaneously taking it to a level previously unavailable in our industry. **WAXIE Sanitary Supply** has combined the finest wood floor maintenance chemicals, pads and equipment to give you the Ultra Guard advantage.

At the heart of the program is the coating – **WAXIE Ultra Sport**. This unique waterborne finish makes wood floor care as simple to perform as hard floor care.

### VOC Compliance

California has the toughest VOC's laws in the country. **WAXIE Ultra Sport** is VOC-compliant across the entire state, including the South Coast Air Quality Management District. **WAXIE Ultra Sport's** VOC is less than 250 grams per liter.

### Ease of Prep

Sand screening, tacking twice, waiting for the dust to settle, tacking again – all this leads to extra hours of labor. With **WAXIE Ultra Sport**, you clean and degloss the surface with a maroon pad and **WAXIE Pure Rejuvenator**, rinse with **WAXIE Ultra Clean** and let dry. Simple, effective and labor saving.

### Ease of Application

Most wood coatings are hard to apply – requiring special handling and procedures. Not **WAXIE Ultra Sport**. It doesn't need catalyzing; it flows and levels beautifully and dries in about an hour under normal conditions. Best of all it cures quickly with most gym floors usable the day after application.

### Deep Gloss and High Durability

### Repairability

A wood floor coating that responds to burnishing? Yes indeed. With a quick deep cleaning using **WAXIE Pure Rejuvenator** followed by a high speed burnishing, you can return **WAXIE Ultra Sport** to its original clean, deep gloss look.

**WAXIE Ultra Sport** uses an advanced reactive urethane-acrylic blend that cross-links to an extremely high gloss, durable coating. Great for gymnasiums, racquetball courts and fitness floors.

# Ultra Guard Premium Wood Floor Care Products and Equipment

## Ultra Sport Premium Wood Coating

Item #930246 ea/cs 2-2.5 gal/cs

Water-based, single-component urethane/acrylic coating that provides exceptional beauty and protection to all wood floors. Requires no separate catalyst and dries within an hour under normal conditions. It also meets or exceeds all federal and state regulations for VOC content. 29% solids. Slip resistant per ASTM D2047. MFMA Certified.

## Ultra Satin Matte Wood Coating

Item #930247 ea/cs 2-2.5 gal/cs

Water-based, single-component urethane/acrylic coating that provides low-gloss beauty and protection to all wood floors. Requires no separate catalyst and dries within an hour so it's easy to use. It also meets or exceeds all federal and state regulations for VOC content. 29% solids. Slip resistant per ASTM D2047. MFMA Certified.

## Ultra Tack Dual Purpose Wood Floor Cleaner

Item #410155 gal/cs 4/cs

WAXIE Ultra Tack is a high solvency cleaner that dissolves rubber burns, black marks, mop treatments and common food soils such as candy and dried soda from wood floors. It can be used as part of a low moisture routine cleaning program where users do not want to put detergents on their floors through auto-scrubbers or mop buckets. It's fast evaporating formula will not harm wood surfaces. Also ideal for tacking prior to recoating.

## Ultra Clean Wood Floor Cleaner

Item #320891 gal/cs 4/cs

WAXIE Ultra Clean is a low foam, neutral pH wood floor cleaner, film-free detergent designed for damp mopping and auto-scrubbing of wood floor surfaces. Its quick-dry formulation makes it perfect for cleaning any coated wood.

## Pure Rejuvenator Cleaner and Restorer

Item #930176 gal/cs 4/cs

For deep cleaning prior to recoating and quarterly restoring. Contains a unique combination of surfactants and citrus solvents that lift embedded dirt and scuffs while leaving floors ready for recoating or burnishing.

## Big Job Duster Kit Item #654070

When it comes to gym floors and other large area dusting needs, ordinary tools just won't do. The Big Job Duster covers 8' in one pass, while its scissor action funnels the dust and debris into the center for easier pick up, and for going through narrow hallways and doorways. Outfitted with microfiber dusting heads, this high-speed tool cleans while it dusts.

**Big Job Duster 48-in Microfiber Looped Pads – 6/cs - Item #654071**

## Solution Applicator Machine "SAM"

Item #577665

The SAM can apply up to 50,000 square feet of solution in less than an hour. It has a 36 gallon solution capacity and can apply solution through with an adjustable applicator arm which easily adjusts from 26-52 inches in width. For large wood floor areas, where saving labor is a must.

## 3M SPP Maroon Pad

13" Item #264133 17" Item #264131

14" Item #264134 20" Item #264132

Use 3M Surface Prep Pads and WAXIE Ultra Clean or water with auto scrubbers or floor machines to effectively remove floor finish, preparing the floor for finish application. SPP pads help improve safety and productivity. There is no slippery residue from strippers. No stripper cleanup on baseboards or nearby floors. No chemical contamination on skin, clothes and shoes.

## KaiMotion™ Wood Floor Applicator

Item #660110

Featuring precise flow control, the KaiMotion™ Wood Floor Applicator is a multipurpose tool that performs the following tasks: Floor Finish Applicator, Wood Floor Finish Applicator, Daily Cleaning and Floor Stripping.

## T-Bar Applicator Item #658080

Applies a layer of coating to large areas with professional, consistent and even coverage every time. One piece heavy duty 60" steel handle with swivel 24" head.

## T-Bar Replacement Pad - Item #658081

Specially designed 24" Nyloam® refill pad applies a precise, smooth, lint-free finish to wood, concrete, tile and slate surfaces. Use with waterborne coatings.

## WAXIE Pure Performance Polish Pad

20" Item #262340 cs 2/cs

27" Item #262342 cs 2/cs

This advanced floor pad has been developed to maximize wood floor cleaning, while dramatically increasing gloss. Constructed of durable, highly launderable microfiber, this floor pad maximizes cleaning and polishing without abrading or burning the finish. Because it doesn't abrade the finish, scrub and recoats and strip-out times will be extended, saving valuable labor dollars and chemical costs. An alternative option is a natural hair pad.
